Dear Art Yeaman,

Thank you for appearing before the Raleigh Chapter of the Society of the Sons of the American Revolution for George Washington's Birthday and our Valentine's Day Celebration on February 14, 2008.

Your fine portrayal of Benjamin Franklin really came a live for our audience. I heard many compliments on your performance and know my membership loved you and your character. Thanks for making our celebration a memorable event.

I appreciated the opportunity to see Ben Franklin interact with the fourth grade class at Ravens Croft

Grant Peterson and I enjoyed participating on the following evening as your personal Continental Color Guard escorts during that grand entrance into the Cameron Village Library exhibition of "Benjamin Franklin: In search of a Better World".

Respectfully,

Glenn Sappie
